Minutes:

No motion necessary. A presentation was made.

MAYOR GOODMAN invited MARGO WHEELER, Director of Planning and Development, to come forward, and he announced that in order to ensure the quality of life City of Las Vegas residents enjoy, community planning is necessary to help manage the changes in the City. October is designated as National Community Planning Month in order to highlight the efforts of Planning and Development, the Planning Commission and the professional planning community.

MS. WHEELER accepted the Proclamation declaring October 2009 as Community Planning Month and stated that it has never been more important to ensure that planning is far reaching and has lasting value. Through the Councilmembers' support, continued quality of life can be ensured for all the neighborhoods.

In celebration of National Community Planning Month, MAYOR GOODMAN indicated that the following students who participated in the National Community Planning Month Art Contest were present: JONATHAN FARIAS-MARTINEZ - Third Place from John F. Mendoza Elementary School; BEAU THISTLE - Second Place from Meadows School; and LYNDSEY WASSMUTH - First Place from Joseph Neal Elementary School. They each came forward as their name was called and displayed their posters.

MS. WHEELER acknowledged JUDY MYERS of the Clark County School District and FLINN FAGG of her staff for coordinating the contest.
